

## **Get With The Spirit!!**

Kids First is starting their first league cheerleading squad. The squad will consist of girls from any of our cheerleading classes. They will use what they learn during regular class time. 25% of the class has always been devoted to cheer motions, learning cheers, jumps, and occasional dances. Now they will be able to take the cheers, dances, jumps, and tumbling that they learn and use them at a live basketball game. The Ronnie Grandison Basketball Winter Youth League and Queen City Storm Cheerleading Program have joined together to create a complete basketball league game atmosphere!

The goal of the cheer classes, combined with cheering at the league games, is to help the cheerleaders lead a crowd at games. Experience the fun of cheering in front of a real crowd. Sign up this winter and be a part of the action with the Storm League Cheer Squad.
